

Charging Ahead

A breakthrough design for the ultimate in convenience, safety and efficiency.

The brand that changed food storage and preparation forever does it again. Loaded with innovative features to make any space more functional and appealing, this environmentally friendly unit delivers the ultimate in versatility... you can even charge your personal electronics with it!

Safe Plug® Technology, patent-pending power management system, limits power draw to just 11 amps, requires just one dedicated circuit for the combination appliance.

Dual-Outlet Charge Station and Cord Clip lets you safely charge electronic devices such as laptop computers, MP3 players, cell phones and more.

Smart Store Door allows for upright storage of 2-liter and half gallon bottles.

Stay-Fresh Drawer keeps fruits and vegetables fresher, longer.

Unsurpassed 10-year Warranty provides absolute peace of mind.

Also available in classic white with stay cool glacier white interior

Components deliver uncompromising quality and performance. Together, they form one stylish, space-saving unit.

Dual-Outlet Charge Station with Cord Clip

Use it to power up laptops, cell phones, MP3 players, digital cameras and other devices that draw four amps or less. The integrated Cord Clip prevents cables from getting tangled or caught in the doors.

Safe Plug® Technology

Provides protection against circuit overloads for user safety and convenience. Blue plug on refrigerator plugs into back of microwave for energy efficient one-plug to the wall operation.

Refrigerator Specifications

Annual energy consumption 310 kWh based on standard DOE test.

Electrical Requirements

Power 115 V/60 Hz
Start-up amps 3.6
Normal operating amps 0.9

Exterior Dimensions

Height 33 1/2"
Width 18 5/8"
Width with door open 180° 36 1/4"
Depth 20 1/8"
Depth with door open 90° 37 1/4"
Weight 51 lbs.
Shipping weight 58 lbs.

Interior Dimensions

Total volume 3.6 cu. ft.

Refrigerator Features

- Full width ice compartment
- 2 full-width adjustable wire shelves
- 3 full-width door shelves
- 2-liter bottle door storage
- See-thru, stay-fresh drawer
- Temperature control
- Auto-defrost
- Stay cool glacier white interior

Cabinet Features

- Bevel-edge, Tri-Panel door design
- Low profile recessed handle
- Cord management hinge clip system
- Reversible door hinge
- Leveling legs
- Coil back design
- 5 ft. cord
- Available in black or white

Microwave Oven Specifications

Electrical Requirements

Power 120V/60Hz
Power output, defrost 280 watts
Power output, cook 700 watts
Start up amps 10.9
Total amps for 2 charging outlets 4

Exterior Dimensions

Height 10 5/8"
Width 18 1/8"
Depth 12 13/16"
Weight 26 lbs.
Shipping weight 29 lbs.

Interior Dimensions

Oven capacity 0.7 cu. ft.

Microwave Features

- Dual-outlet charging station – 4 amps max for both outlets combined
- Easy-grip pull door
- Express cook settings
- Programmed cooking options
- LED display and clock
- Signal beeper with adjustable volume
- Removable 10 11/16" glass carousel
- 5 ft. cord
- Available in black or white

Combination Unit Specifications

Electrical Requirements for Combination Unit

120 Volt, 60Hz, 15 amp electrical supply

Combination Unit Dimensions

44 1/8" H x 18 5/8" W x 20 1/8" D

Minimum Clearances

1" on each side, 4" in back, 1" on top

Compact refrigerator/freezers use at least 20% less energy than the federal standard.

Meets Tier I specifications by using 20% less energy than the federal standard.
