

Charging Ahead

A breakthrough design for the ultimate in convenience, safety and efficiency.

The brand that changed food storage and preparation forever does it again. Loaded with innovative features to make any space more functional and appealing, this environmentally friendly unit delivers the ultimate in versatility... you can even charge your personal electronics with it!

Safe Plug® Technology, patent-pending power management system, limits power draw to just 13 amps, requires just one dedicated circuit for the combination appliance.

Dual-Outlet Charge Station and Cord Clip lets you safely charge electronic devices such as laptop computers, MP3 players, cell phones and more.

Easy-grip handles simplify opening and closing of appliances for the elderly.

Frost-Free freezer provides long-term food storage for ice cream and other frozen foods – with no maintenance headaches.

Stay-fresh drawer keeps fruits and vegetables fresher, longer.

Smart Store Door allows upright storage of 2-liter and half-gallon bottles.

Unsurpassed 10-year Warranty provides absolute peace of mind.

Shown in classic white with easy grip handles, stay cool glacier white interior

Components deliver uncompromising quality and performance. Together, they form one stylish, space-saving unit.

Dual-Outlet Charge Station with Cord Clip

Use it to power up laptops, cell phones, MP3 players, digital cameras and other devices that draw four amps or less. The integrated Cord Clip prevents cables from getting tangled or caught in the doors.

Safe Plug® Technology

Provides protection against circuit overloads for user safety and convenience. Blue plug on refrigerator plugs into back of microwave for energy efficient one-plug to the wall operation.

Refrigerator Specifications

Annual energy consumption 329 kWh based on standard DOE test.

Electrical Requirements

Power 115 V/60 Hz
Start-up amps8.6
Normal operating amps 1.3

Exterior Dimensions

Height 46"
Width 18 5/8"
Width with door open 180° 36 1/4"
Depth 22 5/8"
Depth with door open 90° 40"
Weight 82 lbs.
Shipping weight 95 lbs.

Interior Dimensions

Total volume 4.8 cu. ft.
Refrigerator compartment volume 3.46 cu. ft.
Freezer compartment volume 1.38 cu. ft.

Refrigerator Features

- 2 full-width adjustable wire shelves
- 3 full-width door shelves
- 2-liter bottle door storage
- Temperature control
- Stay fresh drawer
- Auto-defrost
- Interior light
- Stay cool glacier white interior

Freezer Features

- Frost free
- 1 full-width wire shelf
- 2 fixed full-width door shelves
- 1 ice cube tray

Cabinet Features

- Bevel-edge Tri-Panel door design
- Easy grip handles
- Cord management hinge clip system
- Reversible door hinges
- Leveling legs
- Coil back design
- 5 ft. cord
- Available in white

Microwave Oven Specifications

Electrical Requirements

Power 120V/60Hz
Power output, defrost 280 watts
Power output, cook 700 watts
Start up amps 10.9
Total amps for 2 charging outlets 4

Exterior Dimensions

Height 10 5/8"
Width 18 1/8"
Depth 12 13/16"
Weight 26 lbs.
Shipping weight 29 lbs.

Interior Dimensions

Oven capacity 0.7 cu. ft.

Microwave Features

- Dual-outlet charging station – 4 amps max for both outlets combined
- Easy-grip pull door
- Express cook settings
- Programmed cooking options
- LED display and clock
- Signal beeper with adjustable volume
- Removable 10 11/16" glass carousel
- 5 ft. cord
- Available in white

Combination Unit Specifications

Electrical Requirements for Combination Unit

120 Volt, 60Hz, 15 amp electrical supply

Combination Unit Dimensions

56 5/8" H x 18 5/8" W x 22 5/8" D

Minimum Clearances

1" on each side, 4" in back, 1" on top
