What if your combination appliance helps prevent unnecessary fire alarms from going off?

- **NEW** patented 1st Defense™ Smoke Sensor
- **NEW** patented USB Charging Station
- Patented current limiting technology

Safety Comes First

2.3MF4-7D1

Intrex Corporation and its affiliates are not responsible for false and/or actual fire alarms caused by the proper or improper use of MicroFridge products.
NEW 1st Defense™ Smoke Sensor

Our patented internal smoke sensor located inside of the microwave automatically shuts off operation and alerts user of smoke before any damage is done.

NEW USB Charging Station

Next generation charging station offers two USB ports and one traditional outlet to conveniently charge small electric devices.

Safe Plug™ Technology

Provides protection against circuit overloads for user safety and convenience. Blue plug on refrigerator plugs into back of microwave for energy efficient one-plug to the wall operation.

Refrigerator Specifications

Annual energy consumption 223 kWh based on standard DOE test.

Electrical Requirements

Power ............................................................... 115 V/64 Hz
Start-up amps ..................................................... 6.25A
Run/normal operating amps .................................. 0.58A

Exterior Dimensions

Height* ............................................................... 25" (63.5 cm)
Width ............................................................... 18 1/4" (46.0 cm)
Depth with door open 180° ...................................... 19 3/4" (50.3 cm)
Height measurement is without bracket.

Weight .............................................................. 44 lbs (20.0 kg)
Shipping Weight .................................................... 49 lbs (22.2 kg)

Interior Dimensions

Total volume ..................................................... 2.28 cu. ft. (64.6 liters)

Refrigerator Features

• 2 full-width wire shelves
• 2 half-width door shelves
• 2-liter bottle storage
• CanStor®
• Temperature control
• Auto-defrost
• White interior
• Estar rated

Cabinet Features

• Bevel-edge, Tri-Panel door design
• Integrated door handle
• Cord management hinge clip system
• Reversible door hinge
• Leveling legs
• Flush back design
• 5.5 ft (1.69 meters) cord
• Available in classic black, classic white and true stainless steel

Microwave Oven Specifications

Electrical Requirements

Power ............................................................... 120 V/60 Hz
Start-up amps ..................................................... 10.9A
Total amps for plugs front/rear .................................. 4/9

Exterior Dimensions

Height ............................................................... 10 1/2" (27.0 cm)
Width ............................................................... 18 1/4" (46.0 cm)
Depth without handle ........................................... 14 1/4" (36.6 cm)
Weight ............................................................. 26.5 Ibs (12.0 kg)
Shipping Weight .................................................... 28.2 Ibs (12.8 kg)

Interior Dimensions

Oven capacity ................................................... 0.7 cu. ft. (19.8 liters)

Microwave Features

True stainless steel

Combination Unit Specifications

Electrical Requirements

120 Volt, 60Hz, 15 amp electrical supply

Combination Unit Dimensions

35 1/2" (90.5 cm)

Minimum Clearances

1" (2.54 cm) on each side, 2" (5.1 cm) in back, 1" (2.54 cm) on top

Warranty information

Strongest 7-Year Industry Warranty with on-site service
