

MicroFridge 3.1 cu. ft. Combination Unit in White

Features

- 1st Defense Smoke Sensor: The patented internal smoke sensor automatically shuts down the microwave operation and alerts the user of smoke before any damage is done
- Safe Plug Technology: Provides protection against circuit overloads for user safety and convenience. The Blue Plug on the back of the refrigerator plugs into the back of the microwave for energy efficient one-plug to the wall operation
- USB Charging Station: The charging station offers two USB ports and one traditional outlet to conveniently charge small electric devices.
