

MicroFridge 3.2 cu. ft. Combination Unit in Stainless Steel

Features

- **1st Defense Smoke Sensor:** The patented internal smoke sensor automatically shuts down the microwave operation and alerts the user of smoke before any damage is done.
- **Safe Plug Technology:** Provides protection against circuit overloads for user safety and convenience. The Blue Plug on the back of the refrigerator plugs into the back of the microwave for energy efficient one-plug to the wall operation.
- **USB Charging Station:** The charging station offers two USB ports and one traditional outlet to conveniently charge small electric devices.
