DAS220GBHWDB

Danby 22000 BTU Mini-Split AC with Heat Pump in White

Features

• 21.0 SEER Rating - DoE Certified: Helps save a considerable amount for heating and cooling
• Designed to cool and heat rooms up to 430 sq. ft. with variable speed inverter - ensuring this is achieved quietly and efficiently
• Low Temp operation: operates at temperatures as low as 19F/-7C making it ideal for scenarios that requires all year round cooling while the Heat Pump makes it a 4 season solution
• Comes pre-charged with R410-A refrigerant
• Active Carbon Air filter: Helps to remove contaminants and impurities in the air, and dual washable filters that provide quality air for your home
• Active Carbon Air filter to remove contaminants and impurities in the air and dual washable filters that provide quality air for your home
• Turbo Mode: Enables the unit to reach the pre-set temperature in the shortest time
• Louver Angle Memory: When the unit is turned on, the louver will automatically revert to the last stored position
• Anti-Cold Draft: Fan speed and louver angle adjust according to ambient temperature to prevent cold air in heating mode
